

Christmas Belssings

If you are looking for ways to help others this Christmas, we have listed some for you. If you would like to give a monitory gift, please make your check payable to the church with a note in the memo.

Families in Need-

April Suggs and Dana Womble know of some families in need this year at Christmas time. They have sizes of the children for clothes and also information about food needs, etc. Clothes and Christmas gifts for the children would help make this a better time of celebration for these families. Of course, gift cards and cash are always beneficial as well. Please contact April or Dana to help with these needs.

Nicholson Car fund-

Chris and Sarah and their family have continued their ministry to orphans and families in the greatest need in Malindi, Kenya. They have two vehicles which they use day and night and which are both very well used and in need of being replaced. In Africa, the roads, especially into the villages, are extremely hard on vehicles. Also the taxes are several times more than in the U.S. To buy a good, used, several years old but sturdy vehicle, they need to raise about \$40,000. If you would like to help with this need, give your donation to someone in the church office.

Community Center in Malindi-

The Nicholsons are also finalizing plans for the next step in their ministry in Africa. They see a great opportunity to minister to young people in the town where they live by opening a community center, which they are calling "The Village" for activities on school breaks and holidays. While they are in the States through December, they are drawing up and discussing details of the plans with supporters and churches. They are also trying to raise funds for start up and operation. See someone in the church office if you would like to donate to The Village.
